

THE BARBADOS THOROUGHBRED BREEDERS' ASSOCIATION

2013 STALLION RETURNS

The following table lists the reported returns for each stallion nominated to the BTBA in 2013. This now completes the nomination process for these stallions. It is understood that all mares covered by each stallion have been declared, as failure to do so may result in a penalty payable by the stallion owner should a resultant yearling of an undeclared mare be submitted for nomination in 2015.
